It will seldom be necessary to keep more than 2000 to 3000 Rs in the Taluk Treasury and such sums should be remitted to the Dt. Treasy - that is daily. During the Collection season there may be some inconvenience in doing this when money is sent to the Village Limits at a late hour of the day. But the Dy. Coll. may be called upon to explain why he keeps more than 3000 Rs in the Taluk Treasury. The Collr. can call the Village Accountant to account if money be detained at the Village by dishonest motives - but on the point - the Dy. Comr. may be asked for his opinion

To The Secretary to the
Chief Commissioner

Sir,

It will be in your recollection, that amongst the reductions of Military guards lately authorized in the Bangalore District, was the withdrawal of the guard over the Bangalore Taloor Treasury.

2. The Deputy Commissioner has now submitted a proposal of the Assistant Superintendents of Bangalore Police, to increase the Town Police, to provide for this duty: but it appears to the Inspector General, that if the Deputy Commissioner were ~~desired~~ to direct the Amildar to transfer all collections as they accumulate to the District Treasury, which is not far from the Taloor Office Treasury, leaving only sufficient money in the Taloor Treasury for current expenses, there would be no necessity for either a

Barr or a Police Guard at the latter place;
and the Insp.r Gen.l would be glad if
the Chief Commissioner would issue or-
ders on the subject in the Revenue Depart.t

3. Copy of the Sly: Commr.s docket
with enclosure from the Asst. Supt.t of
Police is enclosed

4. As regards the District Jail,
to which the Asst. Supt.t also refers in his
docket, I am desired to add, that it is
hoped on the transfer of Barr from
the Police, that this duty can be taken
without increasing the Town Police.

His Docket No. 2915 dated 24 Ultimo received 27th.

With reference to the above, and to the great difficulty in finding the men for the "guard" duty, as personally brought to notice, the undersigned would ask the Deputy Commissioner to very kindly represent the matter, and obtain sanction to an increase to the Town Police Force to meet this new duty. As brought in February last in the under-signed's scheme "prominently to notice, the Cantonment and Town Police are considerably under strength, and difficulty is experienced in meeting the several duties devolving upon the Forces. —

At present when men are absent either on leave or sick, "in the absence of any Reserve to meet casualties" size of Beats have to be increased i.e a Constable looks after two, which is of course exceedingly unsatisfactory. —

Should

Should it be decided that the "extra" and new duty of guarding the Taluq Treasury, and District Jail, must be met from the present force, the undersigned feels it is his duty to point out that such will seriously impair the efficiency of the force.-

For the District Jail 8 Constables and a Serjeant are wanted, and for the Taluq Treasury the Amildar with whom the undersigned spoke on the point considered 4 Constables insufficient 2 by day and 2 by night.-

Seeing that as much on occasions, as 20 to 30,000 Rs. are kept at the Taluq Treasury, it would be advisable to have 3 men for night-duty. Supervision can be given from the Central Police Station.. As shewn above 14 men are needed, this number it is earnestly hoped may be added to the Present Town Force, which really is not in a position to meet the call and cannot be aided by the Cantonment Force.-
